

## Have your say on council's Welsh language plan for schools

Have your say on the future of bilingual education in Carmarthenshire for the next 10 years.

Carmarthenshire County Council has launched a public consultation to gather views on its draft Welsh in Education Strategic Plan (WESP).

The plan, which is required by law for all local authorities in Wales, sets out the council's vision on how we will develop Welsh language provision in our schools **from 2022-2032**, based on outcomes and targets set by Welsh Government.
